FREQUENTLY ASKED QUESTIONS

WHAT IS THE PROCESS TO RETAIN YOUR SERVICES?

If you have reviewed our information and are interested in booking our services, it's time to schedule a consultation. At the consultation, we will develop your cake design and will conduct your tasting. This is also when you will sign your Agreement and place a non-refundable retainer of 25% to reserve your date. Your final consultation will be scheduled one to two weeks prior to your date and will include the confirmation of your design and flavors, receipt of final payment and delivery from you of any necessary items such as ribbons and toppers.

HOW MANY PEOPLE CAN WE BRING TO THE TASTING?

We prefer to keep your tasting personal since we will be designing your cake at this time. We recommend no more than four attendees but can accommodate more by request. Larger groups will require a fee.

WHO IS THE CAKE LADY?

Anna is the Cake Lady and she brings years of experience and three generations of family recipes to delight your palate.

DO YOU CREATE CUSTOM FLAVORS?

Please let us know if you don't see the special item or flavor you desire. We love to create new flavors and are also happy to accommodate special dietary needs.

HOW FAR AHEAD DO I NEED TO PLACE MY ORDER?

Please place your order two weeks prior to your date. Since some weekend dates book quickly, we recommend reserving your date sooner for summer weddings. We only guarantee prices for six months prior to your delivery date. All prices are subject to change due to the cost of ingredients.
