## **Wedding Packages**

Green Mountain Floral Arts strives to create your perfect wedding day within your budget. Everyone has a different idea of how they envision their special day.

I have created a 3 tier package program in the hope that I will accommodate every couple.

Of course every package is open to interpretation and subject to changes that you would need to make. However, at least this gives you a place to start.

\*Tier flowers are listed on the final page for reference\*
