

# The Barbwire & Lace Difference

All our packages grant you exclusive access to the stunning grounds at Barbwire & Lace for your celebration. Many other venues hold several events per day and you find yourself rushed about as you are herded from one area to another. Barbwire & Lace is yours for the day. You and your guests are free to explore the grounds at a leisurely pace and stop to take pictures at any of the many rustic props, antiques, vintage pieces or beautiful backdrops.

**At Barbwire & Lace choose any vendors at no extra cost. We are food truck friendly.**
