# FREQUENTLY ASKED QUESTIONS

## clients ask before booking

### When do we pay?

a 20% retainer is due 2 weeks after the contract is sent out for signature.

Final Payment is not due until 2 weeks before your wedding.

### Can we customize this package?

Yes! I always encourage customizing packages because My goal is to offer above and beyond services by providing a package that is the perfect fit for you and your guests.

*\*\*Some Reasons to customize - this package exceeds our max budget, we have a unique wedding and therefore need unique coverage and services, we are interested in additional coverage...*

### What forms of Payment do you accept?

There is a service fee (2-4%) added to most sites that offer fast and convenient online payments (Venmo, Apple Pay, Honeybook..)

I recommend any form of payment for the retainer, but when its time for your final payment, cash or check is usually best!

### When do we receive the full gallery?

Engagement Sessions  
2 to 4 weeks

Weddings  
5 to 7 weeks

### How does the 48 hour preview work?

Starting the day after your wedding, I have 48 hours to fully edit a selection of photos that truly highlights all of the best moments from your day. I then share the preview with the newlyweds via an online gallery. 

From there, it is up to the couple to decide what they do with the preview. They are free to share the gallery with family and friends, use the photos to post on social media, or even use them for thank you cards for their guests.
