FREQUENTLY ASKED QUESTIONS

When will I receive my photos?

My turnaround time for wedding galleries is 60 days, with sneak peeks (10-30 images) sent within 48 hours of your wedding day. Engagement session galleries are sent within 14 days from the session date.

How will I receive my photos?

You will receive your photos via a private online gallery where you will be able to favorite, download, and share your images at both web resolution, and high resolution. You can also order prints or albums.

How many photos will be included in my gallery?

The number of images in your online gallery depends on the wedding collection you select. A good rule of thumb is to expect about 50-100 images per hour of coverage.

Do you help with posing?

Yes, I do! All you need to do is show up and I will work with you to pose you in comfortable, authentic, and flattering ways to capture the best angles, lighting, and the most beautiful version of you.
