Hello and thank you for inquiring me for your special day! It is truly such an honor for me to be able to be part of your special day! My main focus with bridal work is making sure you look and feel amazing! Your wedding is your MOST photographed event. It's beyond important for you to look your best. I truly understand that and it shows in the quality and professionalism of my work. My goal is to work with you to ensure that you love your wedding day look. I ask for honesty from my brides and I make an effort to encourage you to feel comfortable communicating your vision, so we both reach the primary goal of making sure you look beautiful! I encourage my brides to bring photos of your dress and any photos of makeup that you love, Pinterest is a great resource. This will allow me to have a better understanding of your entire look and style. On the next page you will find my pricing.
