Save the Date

Once you decide to hire ML Marthinsen Photography, we would love to meet with you and start planning your special day! To reserve your date we require a 40% non-refundable retainer fee which will lock your wedding date. No other weddings will be booked on your date. At this time you will also need to return a signed contract by both your fiance & yourself. The remaining balance is due 3 weeks before the wedding.

Amount of Photos

Packages include an estimate of photos on DVD and may include more or less. Additional hours will include around 50 photos per hour.

Travel Fees

Although we are based out of South Florida, we would love to be part of your destination wedding. We love to travel! We only require a travel fee for locations more than 30 miles from Hollywood for the Classic Package or 60 miles from Hollywood for the bigger packages.

What you get & Rights

You will receive up to 2 in person consultations (phone consultations are possible for out of area couples). The first meeting is mainly to get to know each other and get a feel for the couple's vision. The second meeting happens right before the wedding to finalize details & scout out the location if possible/needed. ML Marthinsen Photography also always includes a 2 person team the day of the wedding, which includes the master photographer & an assistant. After the wedding, every couple will receive a DVD with high resolution for printing along with a print release form, web sized images for use on social media, and a 90 day password protected online proof gallery.

Retouching Edits

We do not give out any photos without editing. All photos have basic retouching (color correction, sharpening, contrast adjustment, & very basic blemish correction on portraits). Additional retouches (resizing, weight change, extreme blemishes, out of place hair or other components which are out of the photographer's control), require additional fees. All portrait sessions include additional beauty retouching on every photo.
