FAQS

What do you shoot with?

I am a Canon girl! I have a canon 5D Mark IV and a canon 5D Mark III, a 50mm, 35mm, 24-70mm & a 70-200mm lens!

What do I wear to my session?

I edit in a light/bright and airy fashion. I love editing flowy whimsical clothes in light pastels like light pinks, blues, greens, grays, whites, peach, reds, and neutral colors!
I'm more than happy to help you with outfit suggestions!

Image delivery:

I deliver the full edited gallery through an online gallery site where you can download all your high resolution photos.

Do you deliver RAW images/may I edit the delivered images?

I'm sorry but do not! You fell in love with my bright whites, cool greens and pops of color. RAW files contain none of those things. All editing and cropping rights belong to me even after you receive your photos. All photos must be cropped the way I originally intended when posting to Instagram. If you prefer another editing style I am happy to provide alternative photographers with different styles!

Do I have print rights?

Yes! Once you receive your edited gallery you may print as many photos as you like where ever you'd like!

Can family or friends sign the contract?

No matter who hires me (family or bride & groom), I am there to photograph the bride and grooms special day. Despite who's paying, I only sign contracts with the bride and groom

“Katie is professional, kind, and exuberant! She’s very good at what she does, and was so flexible with our crazy teachers’ schedule (not to mention, we could afford some beautiful photos!) when we were trying to find good dates for our engagement shoot. We were thrilled with how fairytale and fun our photos looked in the end, and will cherish our photos forever. Thank you, Katie!”

— Elena (Bride)

Thanks for making it through all that!

I'm happy to answer all questions and concerns! Once you're happy, I'll send over the contract and invoice! Thank you!
