Old Town Manor Weddings

frequently asked questions

Guest Lodging

Our event packages require that a minimum of 4 rooms be rented by wedding guests. The All Yours package requires all 14 rooms be rented. The 4 rooms that we ask to be filled are Jacaranda, Tamarind, Courtyard, and the Saratoga Suite as these rooms open up to the garden space in the back of the property. Group discounts may be available.

Maximum Occupancy

Our garden venue comfortably holds 50 - 75 guests for a seated formal reception and 75 - 100 for a casual cocktail-style reception. There is a \$10 per person fee for guest counts over 50 people.

Bar Services

Any beverages consumed at your wedding events must be purchased through Old Town Manor. We are fully licensed and offer a variety of bar packages to fit your group's style and taste.

Catering

Old Town Manor does not provide catering services. There are several fantastic caterers on the island that are familiar with the Old Town Manor property and can provide a wide variety of options for your celebration.

Vendor Recommendations

Once an agreement is in place, we send over a detailed vendor recommendations list that includes everything from photography to flowers and decor.

Deposits and Payments

To reserve your rooms, we ask for the payment of the host's room, plus a refundable deposit to hold the other rooms. For events packages, we ask for a minimal down payment, and the remaining balance is divided into monthly payments.

What is considered an event?

Guests staying at our properties are more than welcome to enjoy the garden space outside of scheduled events and parties. Please let us know in advance if you are planning to host an organized gathering. In this case, we will get involved to ensure the celebration goes well, and event fees may apply.
