Engagement Photo Sessions

We strongly encourage couples to have an engagement photo session prior to their wedding day. The length depends on how many photos and locations you want. The engagement session helps couples get to know their photographer, plus having images to show at your wedding reception, as well as printing one of our Engagement Photo Guestbooks.

2-hour Engagement Photo Session one location	\$400
3-hour Engagement Photo Session two locations	\$575
4-hour Engagement Photo Session two or more locations	\$725

Engagement Photo Guestbook

Our photo guestbooks are designed to not only be a photo book but also a place for your wedding guests to sign and make comments in during the reception. This can replace your standard guestbook and makes a wonderful coffee table book or kept with your wedding album.

8x8 20 page guestbook	\$400
10x10 30 page guestbook	\$500
12x12 40 page guestbook	\$600

"All JPEGs" is not a defined number. Excluded are duplicates, out of focus, over/under exposed images and any images not deemed by photographer to be worthy of show. The number may range depending on the number of hours spent at the event and the number of photographers. If the number is not above 240, it is recommended the purchase of 200 and adding individual files to reach the desired number. Most typical weddings show over 1000 images and may reach over 2000.

All copyrights remain with Rick Saul Photography. Purchasing web quality JPEGs allows for online use only and not for printing. Purchase of high-definition JPEGs allows one to print images for personal, non-commercial use only. A copyright waiver letter will be provided to allow for printing.

All images purchased will be edited for color balance and exposure. Any additional or special edits requested will be done at a cost of \$120/hour charged at a minimum of \$30 each.
