"If you want the best wedding photographer, look no further.

Maryalice was there for us every step of the way! Not only did she make a wedding day schedule detailed out to 10 minute increments (which all of our other vendors loved!), but she also is the best at what she does.

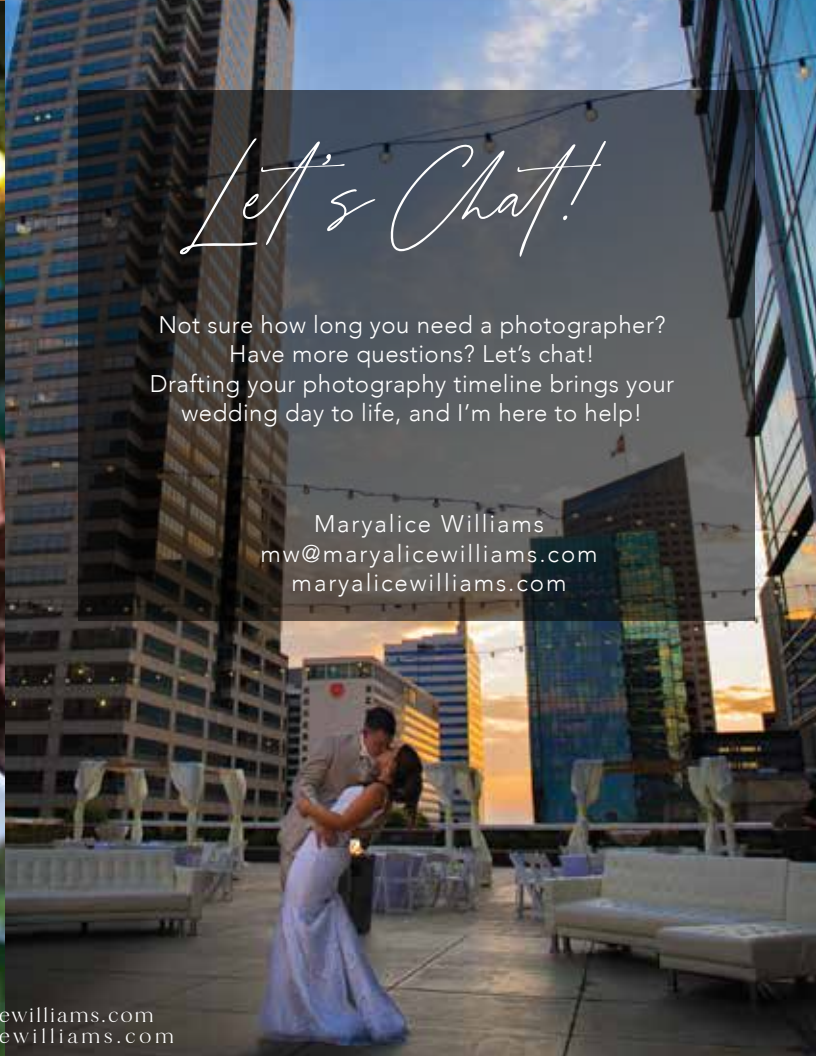

She is super personable, outgoing, and fun! .. She helped us pick out the best photo spots and had so many ideas throughout the day. She is the BEST hype man for your wedding and is just so fun to be around...

Book her for your wedding before she's full for the year!!!"
