About Me

Alexis D.

Hey there, my name's Alexis, and I'm the lead photographer of Alexis D Photography. While I specialize in many different areas of family photography, I LOVE "love"! I'm obsessed with capturing emotions, intimacy and joy that comes on a day special as this. Aiming to satisfy my clients, both my team and I, go above and beyond to ensure that your photos are exactly like you envisioned. I've been shooting weddings for quite a while and and can't wait to work with you!

P.S; Here are some random facts about me, I'm a certified binge watcher (Disney+ and Netflix) I love pizza, I think Wi-Fi is essential, along with naps and I love spending time with kids, once I can give them back (joking) lol .
