# Vibrant Imagery for the modern love story

## MY PHILOSOPHY.

Your wedding day is a day you will remember forever. Not only is it a celebration with friends and family, but also a day you and your partner will reflect on during the remainder of your lives together.

I aim to capture the unique nature and characteristics of not only your love for each other, but your individual personalities.

Each wedding is different and each relationship is different, and I strive to let that shine through in my images I capture throughout the day.

On your wedding day, the last thing you need to worry about is if you're staying on schedule, or if everything is going the way it's supposed to. Let me help you stay relaxed and at ease throughout the day. As a helper and giver by nature, I want nothing more than to ease my couples in a way that I can ensure they have a smooth and enjoyable experience.

“THERE IS NO  
BETTER

" There is not better photographer out there than Alyssa! She is so professional, fairly priced, flexible, and one of the most wonderful people. From our engagement session, to our rehearsal dinner, and our wedding day, she found a way to capture every important and memorable detail. Every single photo was so beautiful. You will not be disappointed if you go with Alyssa for all of your photography needs!"

# frequently asked.

## *when will I receive my photos?*

you'll receive a sneak peek of a few photos within 1 week ( although I aim for 48 hours) of your day. For engagements,, photos are delivered within 2-3 weeks. Weddings are delivered within 6-8 weeks.

## *we don't know what to do in front of the camera! help!*

I pride myself in being able to to make pretty much anyone comfortable in front of the camera. I always want my clients to know that am a judgement-free zone and a safe space for all. My job isn't to critique your ability to pose in front of the camera, but to make you comfortable enough to where you forget I'm even there. At the end of the day, this is about you and your partner. I'm just there to capture the love and emotions you guys already have for each other. That being said, I am more than happy to help prompt and "pose" you in any way you'd like.

## *how many images are included?*

you can expect to receive 50-75 final hand-edited images per hour of coverage! after your wedding day, I'll remove any photos you wouldn't want or need (people blinking, blurry, etc) and edit & deliver the rest! don't worry, I won't withhold any images I think you'll want.

## *how much is my retainer fee and is it refundable?*

Your retainer is 20% of your package price. The retainer paid to book your date is non-refundable. I always try to be very understanding and flexible when it comes to rescheduling and other conflicts!

## *why include a 2nd photog?*

while I'm confident in my ability to shoot all of my weddings solo, I love having second photographers for larger weddings, or when couples are getting ready separately and the timeline doesn't allow me to be with them both. They can provide another perspective to your day and an alternate angle of every situation!

# Let's do this!

*ready to make it official?*

## 01.

After you read through this pricing guide, send me an email and we can get the ball rolling! You will then be prompted to pick which package you'd like.

## 02.

Once you pick your package, you will pay the retainer of your package choice! Then, you will be led straight to the contract that we will both sign,

## 03.

Woohoo! Then you're booked! You will be sent my wedding guide, which will give you SO many tips and tricks on how to prepare and prep for your wedding day as well as tons of insight I have from shooting weddings for over 8 years.
