

## VINEYARD WEDDING EXPERIENCE

Our most popular package is the "Move Around the Vineyard" experience. In this experience, you and your guests enjoy a stunning wedding outdoors, enjoying one of the most beautiful sunsets around. Most weddings are under our KV arch (decorated with flowers you bring in) and then the event moves indoors, to our remodeled modern 3000 square foot barn which includes two full bathrooms and a bar that seats about 25 people, plus seating for up to 200. Many people choose to have a dance floor and a DJ or local band, you can bring in whichever you prefer. A bartender can be included, for an extra cost, for 4-5 hours serving whichever alcohol, beer, or wine you provide.

You are free to bring in outside alcohol and beer/wine. At other wineries, you can only have wine, but since our winery is currently being remodeled inside we do not have to follow wine-only liquor laws, as we will when our winery opens. Guests often bring in outdoor catering or food trucks, recommended by our staff at Kuiper Vineyards. We provide tables and chairs, which can be upgraded at an additional cost. Set up and take down are also included. Our vineyard will be the perfect backdrop for your beautiful day and an unforgettable experience for everyone who attends.

Bride and Groom (or Groom/Groom, Bride/Bride) will have access to a bridal suite for 4 hours where they can get ready and have pre-party cocktails with their friends and family. Each suite has two full bathrooms, two full bedrooms, and a kitchen and living room overlooking the vineyard. We offer, for an additional cost, the option to stay the weekend.

This package includes an outdoor ceremony site, an indoor or outdoor reception site, tables, chairs, linens, a wedding arch, a getting ready suite for 4 hours, as well as set up and take down. Any additional questions please inquire!
