This service is for the couple that want to use the Wedding Planner for only a choice of 5/6 absolutely needed aspects of the wedding planning from the full package description of the client's special needs – Can be customized to fit the client's needs.

**Month-of-Management Service Fee
starting at \$1,150.00**

This service for the couple who have planned their entire wedding themselves and now require final preparation of planning details. We work with you to develop a wedding day time line of events to distribute to your vendors as well as Bridal Party. We coordinate with your officiant for your rehearsal and oversee and orchestrate your ceremony and reception. We are the first to arrive and our job isn't over until the last guest has left, the linens removed, your gifts packed.

**Virtual Wedding Planner Service
Package: starting at \$1,350.00**

This service is for the DIY couple that can use the professional advice and guidance of a wedding planner, but prefer to do all the work themselves. The service includes: initially one planning meeting; properly allocated wedding budget; theme development, ideas, and suggestions; vendor referrals, as needed, and all planning is done via the phone, email, and internet, that will include bi-weekly scheduled meetings.

**Wedding Consultant Service Fee
Starting at \$650.00**

This service is for the couple that just want help finding their footing in wedding planning. The Professional Wedding Planner will offer 3 consultant meetings for the following; wedding budget, check list and vendor referrals as needed. (3 hours max, each)

If none of the above service fit your needs, we can customize a service for you.
