Song selection will be a combination of the bride & grooms favorites and Clockwork's experience in keeping everyone on the dance floor or dancing in their seats.

If the bride & groom have a special song that's not listed on our Master Song List ... Clockwork-Band will work it up especially for them.

Specialty songs such as Father/Daughter ... Mother/Son will be performed if on Master Song list or will be downloaded.

Downloaded music will be provided during their breaks. Or you may provide your own personal downloaded song selections.
