I M A G E S

Starting at \$2,499.00

(Youngstown, Cleveland, Pittsburgh)

My revolutionary style of photography allows brides and grooms to push the limits of their special day, capturing their unique love, friendship and personality. Wedding photos don't have to be what your mother-in-law insists is "elegant and traditional." They can be so much more!

**Limelight Images offers services in Pittsburgh, Youngstown, Cleveland and New York City.**

- A no obligation, no pressure consultation to chat about all your amazing details!
- All day coverage! No need to watch the clock with us.
- Two pro photographers.
- Complete printing rights to your pictures! No need to pay extra for the release.
- A super fun engagement shoot. (You also receive the full and complete printing rights to your e-shoot, too!)
- An online gallery of your wedding pictures so you can simply download your pictures! This gallery is completely shareable with friends and family. You can order prints and even do social media through it!
- Between 700-1000, fully edited pictures on your wedding day! A typical engagement shoot is right around 50 fully edited pictures.
- Never any surprise up-charges with us. No extra fees for pets, additional locations on your wedding day, or service charges. We are full time wedding photographers, so we charge sales tax according to state law.
- You also get a couple of super fun, super easy to work with photographers! We make everything simple and stress free!
