Travel Fees

There are no travel fees for weddings within 40 miles of Denver. For weddings more than 40 miles from Denver, there will be an additional charge of \$2 per mile (per shooter). Hotel fees may also be included and will be assessed at the time of booking. I will do my very best to minimize travel fees. Travel fees are always agreed upon before you sign your contract. There will be no hidden fees or surprises later.

Example: Vail is 96.7 miles from Denver according to google maps. The travel fees would break down as follows.

56.7 extra miles = \$113.40 per shooter

+ Hotel fee \$150.00

Total: \$263.40 (one shooter) or \$376.80 (two shooters)
