Ceremony

Outdoor areas are included for wedding ceremonies and includes chair setup and removal. If you have more than 250 guests, some chairs must be moved indoors prior to the reception. We will provide staff to handle that, but some assistance would be appreciated! Stony Point Hall can comfortably accommodate up to 299 guests seated at 60" round tables, with space for banquet tables and a dance floor. 500 chairs are available. If more are needed please provide them from an outside source.
