GET TO KNOW THE GIRL BEHIND THE LENS

Hi, I'm Danielle Hope Blumer. I began my journey as owner of Hope Photography in 2011. My passion for photography lead me to wanting to expand my knowledge. After graduating top of my class with a degree in Photography Technology I have continued my dream of being a photographer full time. I absolutely love my job. When thinking of my career I knew I had to choose what I was passionate about and what I was naturally good at. Whenever it comes to anything artsy I always get all giddy inside with ideas! What drew me to photography was being able to capture moments and help someone look their best.

I currently reside in Taloga, OK with my husband Jesse and our daughter Ivory. Our farmhouse we live in has been passed down through my family since the landrun. I have always been a traveler at heart so the adventure of where a wedding may take me is one of the many reasons why photography brings so much joy to my life. I would love to meet up and talk all about the details of your wedding day!

Now for a few fun facts about me:

Icecream always sounds like a good idea even in the dead of winter. Fall is my favorite season, that's why I got married in October. Animals make my heart melt. My fears include tornados and not being prepared. I am a girly girl with a love for makeup and fashion but don't let that fool you because I am also a farmer's daughter who has had her fair share of building fence. Going to Portland Oregon is on my bucketlist. My favorite show is Fixer Upper. I am super family oriented and most importantly I am a child of God.

Albums

PRESERVE YOUR MEMORIES WITH AN ALBUM

Are they really necessary?

It is one thing to view your digital photos on a computer, but it is something entirely different to see, touch, and flip through pages filled with hand-picked images from your wedding day. It is something your guests in your home can physically hold and flip through. It is an album that can stand the test of time until you have grandchildren that can point and ask you all kinds of questions about that very day.

The Process:

Designing your album is really easy! First you will favorite the images you would like in your album (50 images for 8x8, 100 images for 10x10). Then be sure to send them over to me by clicking "Send to.." then click "photographer". From there I will design a preview for you to review, revise, and approve. The process can take anywhere from 3-8 weeks with your album in hand depending on responsiveness on your part and number of revisions to be made. Hope Photography does its best to work with you to produce your dream vision for your custom wedding album.

Cover Options:

photocover, linen or leather

DESTINATION WEDDINGS

Frequently Asked Questions

ANSWERS TO ALL OF YOUR PHOTO-RELATED QUESTIONS

Q: WHAT MAKES YOUR WORK DIFFERENT FROM OTHER PHOTOGRAPHERS WORK?

A: I strive to capture timeless imagery that tells a story. To do this I provide natural color in my photographs that matches the timelessness of film. I focus on fresh and natural skin tones in the way I light and edit my photos so that you can look your most beautiful. It's an emotion packed day and I want to capture the rawness of it. I am able to do that by being quietly out of the way and let the day unfold while my camera documents it all in an artistic way.

Q: WILL WE HAVE PRINTING RIGHTS TO OUR PHOTOS?

A: Yes! You will have printing rights to all the edited photos in your gallery.

Q: HOW MANY PHOTOGRAPHERS WILL BE THERE AT OUR WEDDING?

A: Most of the wedding collections come with one photographer, although you can always add on a second photographer for an additional cost. Many times if I feel it's needed I will bring an assistant free of charge.

Q: IS IT NECESSARY TO HAVE A SECOND PHOTOGRAPHER?

A: I easily cover the majority of my weddings as the sole photographer but in some cases adding a second photographer can be useful. For example, if you and your groom get ready in far apart locations and you would like coverage of the both of you, you could just add your second photographer for 2 hours. Coverage hours for your second photographer do not have to be the same as mine. If you are unsure about how many coverage hours you need I can help you determine what works best for your budget.

Q: DO YOU HAVE BACK UP CAMERA EQUIPMENT?

A: Yes, I come well prepared and have three cameras ready to go.

Q: DO YOU CHARGE SALES TAX?

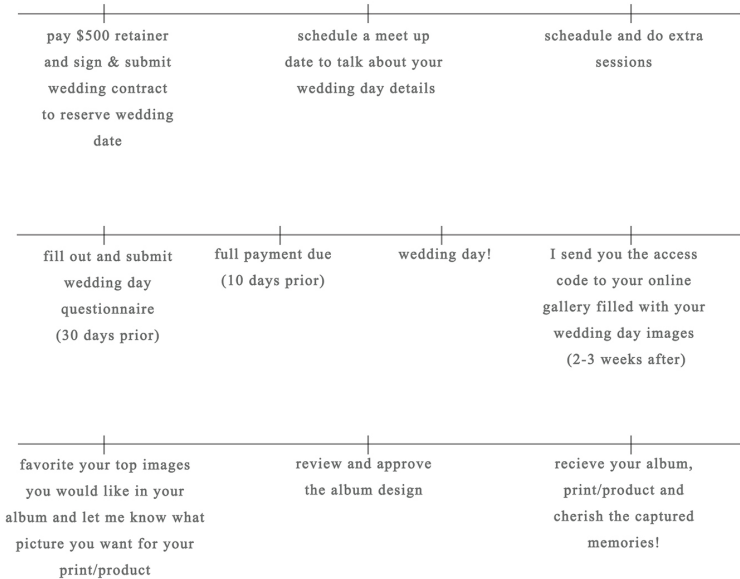

A: Yes, it is the law in the state of Oklahoma for photographers to collect sales tax. Hope Photography includes the sales tax fee in the wedding package price.

Q: HOW WILL I RECEIVE MY WEDDING DAY IMAGES?

A: You will be able to download all the edited extra session and edited wedding day images along with the print release from your online gallery as soon as they are ready. They will automatically begin to download to your computer with the quick and easy directions I give you. A custom wooden USB filled with your edited wedding day images comes with every package. It will be sent to you by mail, usually I package it up with your wedding album.

Q: HOW DO WE RESERVE OUR WEDDING DATE?

A: A \$500 non refundable retainer and signed contract is required in order for me to reserve your wedding date. The remaining balance is due 10 days prior to your wedding date. Payments can be made in up to five increments prior to the due date.
