Event Upgrades

(For examples and photos of upgrades check out our website www.epicenterdj.com)

Uplighting

Transform your head table, entrance way, or the whole room to the color of your choice with our uplighting packages. This effect sometimes known as “lightscaping” really helps set the mood for your event. (A) Head table - \$100 / (B) Full room - \$500-600 dependent on room size

Dancing in the Clouds (Low Lying Fog effect)*

This enhancement will have people talking about your first dance for years to come. As your first dance begins a soft white cloud rolls out to cover the dance floor giving it a dream-like quality that always gets the ooo’s and ahhh’s from everyone. Also your first dance pictures will take on a whole new and wonderful look as well. We can also use this effect as a great wow factor for your grand entrance!

(A)First use \$200.00. Each additional use \$125.00 (may require venue approval)

Monograms

Who doesn’t want their name in lights? With our monograms we can project your initials on the floor, wall, or ceiling. Great for behind a head table or just inside the entrance way welcoming guests to your event!

(A)Single Letter - \$175.00, (B)Three Letter - \$250, (C)Full name and/or moving monogram – \$375

Slideshows

Wanting to share your photos with everyone at your event? We have a few great ways of doing that. Our flat screen TVs on trussing is a great way to add a modern flare to your picture presentation. A great space saving solution to the projector and screen style of slide shows.

Need everyone to see it all at once? We also have multimedia projectors and screens that can make sure everyone sees all your past memories! Our Large screens are 10 ft. x 7.5 ft. to ensure the people in the back of the room can see it too. Our tripod screens are a great smaller option for a smaller venue.

Both the Flat Screen TV and projector method will be run by us so you won’t have to worry about it at all. All we need is the photos on a CD, Flash drive, or SD card to get things started.

(A)TV totem - \$150 for the 1st \$125 for the 2nd, (B)Projector/Screen - \$250.00

Ceremony Music (This is a separate item not available under the 2 add-on inclusion of package 3)

We can provide ceremony music for your outdoor or indoor wedding. This includes an AV tech onsite to make sure everything runs smoothly. This system runs \$300 when booked with any of our DJ reception packages.
