YOU HAVE QUESTIONS

Q: What sets you apart from other photographers?

A: I want your day to be about enjoying moments with your partner, family, and friends, not spending hours recreating photos from a Pinterest board. We'll capture the standard family, bridal party, and couple formals but after that, I want to you two to enjoy the day.

Q: Will we get the print release of our photos after our wedding?

A: Yes! Upon receiving your images, you will also get a full print release.

Q: How many photographers will be there at our wedding?

A: Collections two, three, and four all include a second photographer for your wedding day with an additional photographer being an option for Collection One.

Q: Will my photos be posted publicly on your site or social media?

A: I respect your privacy and allow each client to decide whether or not they want their photos displayed publicly. I'd love to show off you & your images if you're game! If not, that's okay, too.

Q: Will you Photoshop my images to hide any unwanted spots, wrinkles, etc?

A: Minor edits will be made to all of your images, but I believe our imperfections are what make us beautiful & unique.

Q: What are our next steps?

A: If you and your partner decide to move forward, let's touch base and choose a collection that works perfectly for your big day. The next step would be to lock in your wedding date with a deposit of \$2500.

From there, we will look at scheduling your couple's engagement session. As we get closer to your big day, a questionnaire will be sent to you both and we will get on a call around two weeks before your big day to go over last-minute details and create your timeline!
