## THE FAVORITES

JERRY FAVORITE

KAREN FAVORITE

HANNAH FAVORITE

We offer our years of wedding expertise and visual skills to help capture all the best parts of your wedding. Our goal is to create stunning and timeless photos and videos that feel natural while showcasing your love for each other and the unique vibe of your special day.

### *Thoughtful, talented professionals*

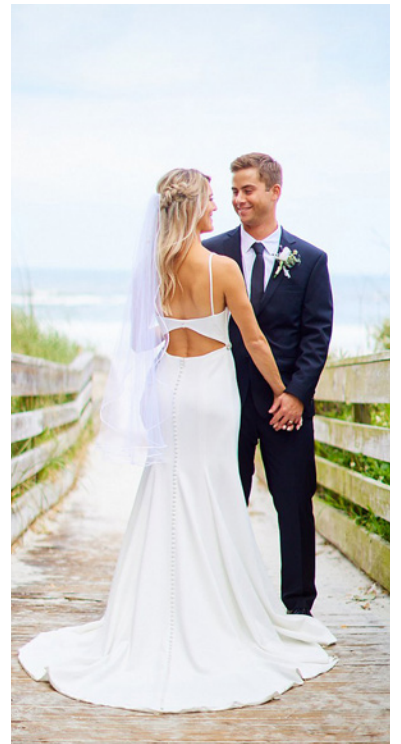

Jerry Favorite is a second-generation photographer and videographer driven to be on the cutting edge of technology. He is a professional artist who is down-to-earth and great to work with. Jerry earned his Bachelor of Fine Arts from the University of Florida. He is super dependable, hard-working, a lighting expert, and focused on getting the best shots.

Karen Favorite enjoys working with couples and has an excellent eye for details and magic moments. She loves the art of photography and video. Karen received her Bachelor of Fine Arts from the University of North Florida. She is a calm and caring focal point that reassures couples and puts family and guests at ease for relaxed and genuine images.

Hannah Favorite is a talented photographer. She has a wonderful, energetic presence and a natural eye for beautiful color and composition. Hannah is currently a senior at the University of Central Florida, working on her Bachelor of Fine Arts degree. She brings the fun and cute trends to every photo session with her bubbly personality and creativity.
