Thank you for inquiring about having your special event at the Shrine Center. We will make every effort to help you in planning so you may focus on other details. Once scheduled we will assign one of our staff to oversee building and kitchen access, coordinate event setup, bartenders, and security as required - we understand that planning is challenging; our job is to lessen the load so you may enjoy the journey.

The Shrine Center has three primary areas:

- **Harrington Hall** (Our main event space)
5,000sf including stage and large bar accommodates up to 200 guests
Round and Rectangular Tables, Chairs, Raised Stage
Sound and Projection system included
 - **Upstairs** (Midgett Room and Sun Room)
These two pre-event / preparation spaces add 2,000sf to mingle
Includes second bar and an additional set of restrooms
Third portable bar is also available upon request
 - **Kitchen**
A fully equipped commercial kitchen that easily accommodates 200 guests
Includes plates, flatware, service platters; etc
- Renting the whole facility provides the kitchen for FREE, gives you exclusive use of the building, and is therefore the most popular option.
- Optionally, you may rent Harrington Hall with, or without, the kitchen. The Shrine Center is available 7 days a week with discounted weekday rates (Monday through Thursday) under \$3500.

The Shrine Center staff looks forward to answering your questions and helping you create a beautifully unique and memorable event.

Sincerely,

Todd Weedman - Manager
