1" CUSTOM CAST

Grapes Vineyard (#WC3100EGV) | Interlocking Hearts (#WC3100E-IH)

Custom cast charm up to 1" (largest dimension). Your choice of finishes (Gold, Silver, Hand Satin Antique Brass, Hand Satin Antique Pewter). Includes charm hoop with two decorative beads per charm. Your choice of 8 bead colors (Black, Dark Blue, Light Blue, Green, Yellow, Red, Pink, Clear).

Finish: When choosing a finish there are a couple of considerations. First, if your design is done in 3D we'll almost always recommend an antique finish. Antique finishes leave recessed metal areas slightly darker than raised metal. Bright (e.g. gold or silver) finishes don't show 3D details well because the raised and recessed areas are shiny. A hand satin finish is often used in conjunction with an antique finish where there are flat areas on your design. The satin finish provides a brushed look to flat areas.

Extras: Color fills \$0.40 each. Polished and sandblasted finish \$1.20 ea. Back side engraving \$60.00 setup - no charge per piece.
