

2019 PRICING GUIDE

Congratulations to you on your engagement!

What an exciting time this will be for you as you begin your planning and preparation for one of the most memorable moments with your future spouse.

As you start looking for high quality vendors, iLuminous is here to creatively enhance your time of celebration with friends and loved ones. From your first visit with us, you will be treated with genuine, professional quality service that focuses on you as our top priority! When your special day arrives, all you will need to do is live in the moment and enjoy the experience all around you!

WEDDINGWIRE "COUPLE'S CHOICE AWARD" RECIPIENT

Since our official launch in March 2016, we've currently booked over 100 weddings! We strive to create an atmosphere that is fun and active for you and all of your guests. We do this by utilizing an LED DJ Facade, Gobo Lights, and Uplighting (which is built into most of our packages and can be synced to your music).

Basic DJ Station

"Jeff was professional from beginning to end. He helped us to develop a reception timeline which allowed us to enjoy the night while he helped keep everything on track. Jeff truly cares for his customers and gives 100% to ensure their needs are met. If you are looking for a professional, motivated, caring DJ, we highly recommend Jeff and iLuminous!"
