### **The Signature Love Story:**

**Base Rate      Overtime**

\$1,950              \$150/hour

When you want the very best at your wedding: One of our very best entertainers will provide up to six hours of Award Winning entertainment services on your special day. From the initial interview to the final farewell, we will be there to help coordinate and execute every entertainment detail. The Signature Love Story starts with an in-person interview, we want you to know the investment you are making is going to be the right choice for your event. Next, is the coordination of the entertainment at your event, this is where the fun and excitement start to build. Our detailed consultations provide an in-depth look at the various interactive aspects of your wedding day. We will go over each of the fun, interactive options that are available and you will have the choice to include them during the event. On-Line planning forms, and music selections forms are available. The consultation process concludes with a custom Wedding Script that includes every detail of the wedding entertainment and is sent out for your review and approval. We will also provide approved copies to other wedding professionals upon their request. And finally, we will execute those details at your event with flawless perfection. Professional Sound Equipment and digital music library spanning multiple genres, LED lighting, Custom Grand Entrance for your wedding party, Personalized Love Story, Voice Over Dances, Anniversary Dances, along with several other fun, interactive choices will create the perfect event that you and your guests will be talking about for years to come.
