

YOUR WEDDING...

It's all about you. Booking a DJ should be an exciting, fun and easy experience. We are not sales people. We don't assign you random people to DJ your wedding. We meet with you, we listen to your needs, and we guide you through every step of the way to ensure your wedding is amazing.

We are all about creating awesome!

This is not a birthday party, your wedding celebration only happens once. There are no second chances and we understand that. Hire a DJ you trust. One that can handle the intricate details and needs of your big day. This is not some side gig for us, we or seasoned PROs! We do it week in and week out... and we LOVE IT!
