Classic Wedding... \$1850.00

We spend 6 hours with you that includes coverage of pre-bridal, ceremony, formal pictures, reception, toasts, cake cutting, first dance, garter and bouquet toss, father/daughter dance, etc. All pictures are shot in high resolution digital format, edited, cropped and burned to a DVD. You own the rights to the pictures so you can make copies, prints, websites, enlargements, and albums. We refer you to our professional printing company and we are here if you need any help along the way. Your DVD usually contains 800-1000 pictures so there is plenty to choose from!

Classic Extended Wedding...\$2450.00

This package includes all of the features of the Classic package but we are with you for 9 hours. It's a good choice if you are having a long ceremony, changing locations for the reception, going to another location for formal shots, or want our photographers to be with you while you're getting your hair and make-up done.

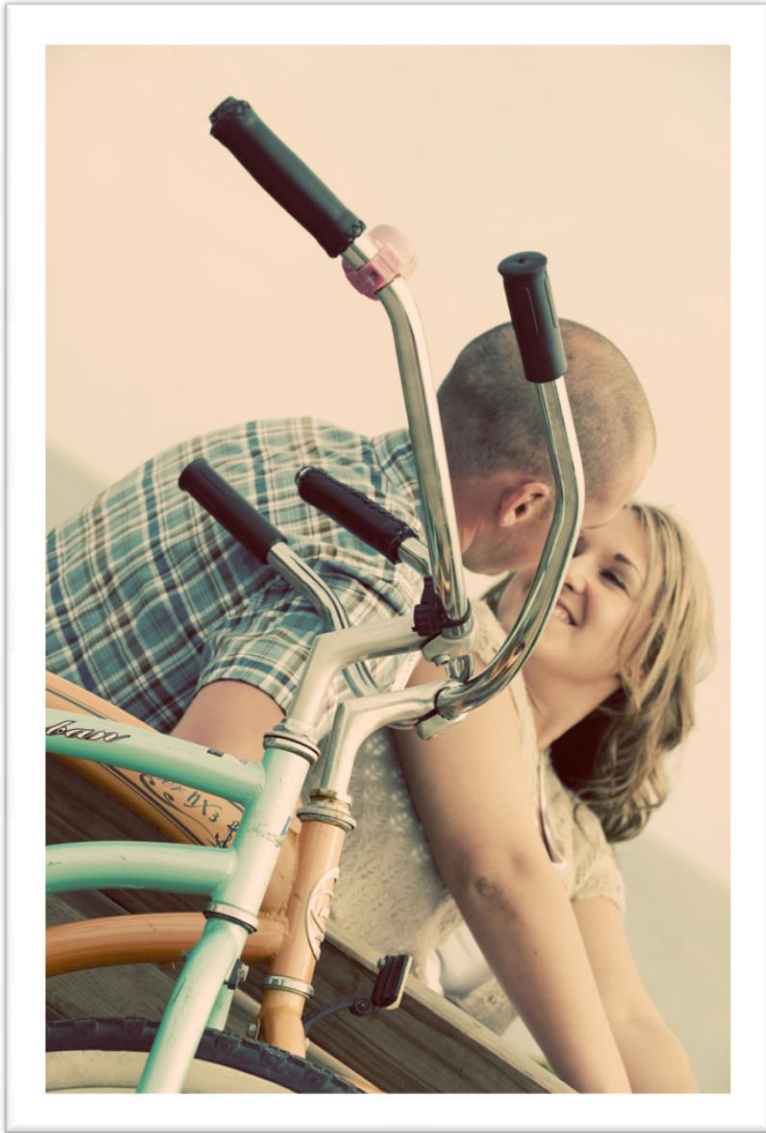

You only get married once...\$3650.00

This includes all of the benefits of the Classic Extended package; you still own all of the images but in addition you also receive a beautiful 8x12, 40 page Graphistudio coffee table album with your favorite memories in it. We design the book in to the perfect wedding story of your day. The album is made in Italy and is a one of a kind cherished keepsake of your wedding. This package can be customized to include parent albums, larger albums, mini albums for attendants, and calendars. Come to our studio to see an album and we will show you all of the possibilities!

Engagement ...\$225.00

Doing engagement pictures is not only a fun way to get to know your photographers but it is a great way to get beautiful pictures for an announcement in the paper, a customized guest book at the wedding, or an enlargement for people to sign at the reception. We spend one to two hours with you at a location in the area; edit the pictures, then burn them to a DVD. Just like wedding pictures, you own the images and can print whatever you like! Want to do the shoot at the beach? Just add 100.00 travel fee and we're there!

Bridal or Day After Session...\$300.00

This is a special creative photo session scheduled right before or after the wedding that allows us to spend more time on just you. Think of being in the country with antique furniture for props or by the ocean laying in the sand. We customize the shoot to your interests-trash the dress or just take pictures in interesting locations. It's up to you. Just like the engagement shoot-if you want to go out of the area, a travel fee is added to the price.
