Organic. Intimate. Authentic

Hello!

Congratulations on your engagement! How exciting! I'm so happy that you're here. Picking a photographer is a really big deal and I'm honored that you're considering me as yours.

Wedding photography is a beautiful and worthy investment and you deserve a photographer that's going to capture your day the way that you want.

I want us to be right for each other.

Capturing raw, authentic moments and emotions in an organic way is what I live for! My photography is inspired by nature and I love natural light!

My couples tend to be down-to-earth, adventurous souls who love to laugh and live with their heart on their sleeves.

If you decide we are a good fit, reach out!
I'd love to learn more about you!

Engagements

There's a reason your engagement session is included if you book your wedding with me. The engagement session allows us the opportunity to spend time together and really get to know each other so that the day of your wedding you are comfortable with me and my camera.

Because engagement sessions are complimentary and an essential part of my wedding package there is no reimbursement if you choose not to have one. However, it can be traded out for one of the following:

Two hour bridal shower coverage

Two hour rehearsal dinner coverage

(we can get some great photos of friends & family)

Trash/Rock the dress session

One year anniversary photo session

I really encourage you to choose the engagement session. That is what 99% of my couples choose to do and they never regret it!

A wedding couple is standing on a sandy beach, facing each other. The bride is wearing a white wedding dress with a long veil and holding a bouquet of flowers. The groom is wearing a dark suit. In the background, there is a large, white, lattice-structured lighthouse on a small island or dune. The sky is blue with some clouds. The text is overlaid on a semi-transparent white box in the upper half of the image.

All wedding dates are available on a first come first serve basis. A \$500 retainer is due at the time of booking. Payment options are available and wedding package is fully customizable if needed.

So excited to meet you! I would love the opportunity to photograph you!
