# | THE EXPERIENCE

HERE'S THE DEAL:

I want to get to know you. The weird, the silly, the lovely! I want to dive deep inside the realm of you as a couple! It is CRUCIAL that I become close with you and fully understand your story, so that I can tell it accordingly.

When a couple chooses me to be their gal for the most important day of their life, I commit. I commit to them with 100000% of my heart & soul.

When we invest in each other, for this wild ride, not only will you receive some amazing images to look back on, but you will also have a personal hype gal, motivator, errand runner, and bestie for your whole journey!

"She went above and beyond her role" ~ Jordan & Beau

"... She went above and beyond her role, even saved us with sparklers last minute and took charge when things got hectic. She did a phenomenal job, captured so many picture perfect moments, and everyone was raving about her..."

# | THE SOUL BEHIND THE CAMERA

## GETTING TO KNOW EM.

I am a photographer, mom, wife, friend, sister, daughter, lover, dancer, festival-go'er, craft beer drinker, & karaoke-er. But most of all I am an empath. I feel VERY hard for every person I come in contact with. No matter who the person or what the situation.. I can't help but to *feel* for the people I am around.

To me, this has led to a successful venture in telling other peoples stories, wherever they are at in life.

From the start of a lifelong adventure between two lovers, to the first cry of their new baby, to the last moments that same couple will spend with their elderly, I do not take lightly the opportunity to freeze these connections, forever. Looking back, and *feeling* all of those feelings.

This is *why* I want to be a part of your story.

## ALLLLLLL OF THE DETAILS

All of the couples I work with are unique in every way and I understand fully that no one couple fits inside of a 'box'.

I have base packages that I lay out to give an idea of what I would recommend. However, all of my packages are customizable to suit the needs and wants of the couple I am working with.

It is VERY important to me that you are able to look back and see the moments that you cherished so deeply once upon a time. For that reason I always recommend considering what you value having captured ( we will chat about this more in your consultation call).

# | MY BOOKING PROCESS

WE ARE VIBIN' !! ..... NOW WHAT?

My biggest goal for the booking process is to find out whether we are made for each other!! I want to be completely & wholly on the same page. Ask me all the questions!!

Step by step.. this is generally how it goes:

1: You Inquire

2: We connect, you look over my guide (THIS THINGY), and decide if you'd like to schedule a consultation

3. We meet face to face via Zoom, likely have audio/ visual problems somewhere along the line. We laugh, talk details, ask any questions!

4: Should you decide to move forward with me, I put together a proposal and send it your way.

5: You accept the proposal, sign the contract, & pay the 50% retainer fee.

6: YOU ARE BOOKED!! HELLL YES!

7: I send you my full wedding planning guide & we keep in touch and get excited for the biggest day of your life!!  
WAHOOOOO!!!!

# | FREQUENTLY ASKED

## ANSWERS TO ALL OF YOUR QUESTIONS

### WHAT TYPE OF WEDDINGS ARE YOUR JAM?

I love capturing all stories of love. Whether it be a small mountaintop elopement or a larger multi-day family celebration, I will be there to tell your story!

### WHAT WOULD YOU DESCRIBE AS YOUR 'STYLE'?

I get this question quite often. For me, I do not have one certain style that I refer to my art as having. I tell the story so that it reflects the vibe & makes you *feel* what it was like to be there in that moment.

My tones do tend to be rich, bold, and emotional with touches of artistic vintage at times.

### TRAVEL FEES

I do not charge travel fees to the Portland area & surroundings within 100 miles. I customize my travel fees outside of that immediate area to come up with something that works for both of us.

### DO YOU GIVE US THE 'RAW' FILES

Because the final product you receive is a reflection of my art, I do not offer any 'raw' footage or files, sorry!

## PAYMENTS

A non-refundable 50% 'retainer' fee is required at the time of booking, along with your signed contract, to secure your date. The other 50% is due 4 weeks prior to the wedding date.

## WHAT IF WE NEED TO RESCHEDULE?

Life happens, restrictions are changing, people have babies. You name it, I get it! I am normally happy to offer one reschedule (same calendar year) free of any fees, so long as I have your new date available. If you need to reschedule to the next calendar year, a \$500 fee will apply.

## WHEN WILL WE GET OUR PHOTOS

You will receive your photos within 8 weeks of your Wedding or Elopement. You will be sent an email with a link to your online gallery where you can download, share, and order prints & albums! Easy. Peasy.

## CAN WE BE LIFELONG FRIENDS?

So you want to be karaoke buddies, grab a beer to reminisce, or have me back to capture all of your milestones? (Babyyy, Anniversary, Etc.) I THRIVE off of building lifelong relationships with my new friends. While it is not required, just know that I am your gal for life! I got you!

XOXO, EMILY SKYE
