

Dos Goats Plans

We love to meet with anyone who is looking for services or even just some initial advice, that's why we always suggest scheduling a consultation with us, we will meet up & chat (over coffee or pancakes) and get to know more details about you as a couple as well as your thoughts and dreams about your wedding. Once we have more info, we will make recommendations on what would work best for you & your budget. Weddings are not a one size fit all event, we know each wedding is unique and we want to make sure you are getting everything you need. Our mission is to have you save money while investing with us.

Wedding Management

This is also known as Day of Coordination, this package is for the couple who wants to do a majority of the planning but would like us to come in the last few weeks and help create custom timelines for you, your wedding party & your vendors. We will be there to help run your rehearsal, while completely managing the whole wedding on the day of!

We will customize this package for you specifically so that you are not paying for stuff you don't need!

Investment Ranges Between \$650-\$900

Crash Course to Wedding Planning

We will sit down with you and for two hours we will dive deep into the world of planning! Giving you ideas, making you a custom timeline templates, research and brainstorm. Give you a rundown of vendors to reach out and send you on your way to plan your dream wedding! What's even better... You decide after that you want to upgrade to a larger package, we offer a great discount!

Investment \$150

Full-Service Wedding Planning

It takes the average wedding pro 260 hours to plan a wedding, this package is for the couple that simply does not have the time and would like us by your side the whole way! We will find your vendors for you, go over contracts, create mood boards, attend tastings, be a coach and cheerleader. Get pancakes with you when you are stressed! (That comes with every package)

Investment Starting at \$2500

Price is based on overall wedding budget and is customized for each couple

Partial Planning

We will customize any package for you to create that perfect day.
