WEDDINGS & ELOPEMENTS

Hey friends!,
Mary here.

I'm so glad you are here! I'm an Oregon girl, mama to Lola and wanderluster who loves new places and people! I love laughing, and making people laugh, strong coffee, campfires, beach waves, and mixing fun new cocktails!

I specialize in intimate weddings for the madly in love, and lifestyle family documenting. Most days you'll find me at home with my daughter Lola, building forts and having dinosaur tea parties, or hiking and soaking up all the sun we can.

My heart is so involved in my work, in telling your love story. I work to create a genuine and safe place where your true emotive moments can take place naturally, and be captured for you to treasure always!! I'm so into love, tear up at every wedding, and believe each story is truly beautiful.

"Mary did an amazing job capturing every single detail,... she went over and beyond not just as a photographer but as a genuine person",

Romantic Emotive Moody & Warm.

What is the most important thing to me is capturing those vivid emotions. More than any perfectly posed photo, sometimes a moment reflecting on your vows, or a look between bride and groom once they're alone, the reach of a hand... those moments tell your love story, and I'm here for it. I create a safe space where you can feel comfortable and be yourselves, relax into your love and let it be captured in a way you'll always have to hold onto. I live for the emotive moments, the laughter and tears of joy...I'll help guide you if you need it and let you do your thing if you don't. A little bit moody and a whole lot of landscape combined with your beautiful faces is magic.

"No review will ever do Mary justice. She took the most breathtaking photos of my wedding. It's very intimidating choosing a photographer for your big day. These are what you have to look back on forever and ever. I am completely blown away and the photos take me right back to my special day. I give her a lot of credit for making the day as smooth as it was. I am so thankful for the recommendation and I HIGHLY suggest her to everyone! "

Love love love her!

I found Mary through another wedding planning app and thank God I did! She was so wonderful to work with from getting a quote all the way until the end of the wedding day. The photos she took are so beautiful and capture the emotions so perfectly from everyone there!

Mary is extremely talented & wonderful to work with. My wedding day was a bit chaotic, but having Mary there to help ease our nerves was priceless. We look forward to using her in the future, as not only does she provide a superior service, she is a lovely human to have around on your important day!

WHERE ARE YOU BASED?

My daughter and I live in Salem, Oregon. I predominately work out of Portland, the Oregon Coast and other destinations around Oregon.

DO YOU TRAVEL?

LI do travel! Hawaii is such a favorite, that I will often waive travel fees to shoot a wedding there! I love travel so much and am almost always up for an adventure :)

WHAT IS YOUR PHOTOGRAPHY STYLE?

My style is warm, emotive, romantic, a little moody and a lot of fun! I LOVE movement in my photos- its everything! I love photojournalistically telling your whole wedding day story.

HOW LONG DOES IT TAKE TO GET OUR PHOTOS BACK?

Usually about 8 weeks, but I always try for sooner! And I always give a sneak preview the DAY AFTER your wedding so you have something beautiful to share!

HOW MANY EDITED PHOTOS ARE IN MY GALLERY?

It does vary from wedding to wedding. If there is a lot going on or I have a lot to work with, it's usually about 100 photos for every hour that I'm booked. For instance, if you hire me for 6 hours you'd get roughly 500-600 photos.

Can't wait

to work with you!
