We Proudly offer top-quality rentals to clients in Missoula and the surrounding areas.

Do you deliver or do we need to pick-up our rentals?

We do offer delivery & that cost will depend on the location of your event. Our clients are also welcome to pick-up rentals & we do require an enclosed trailer when hauling all of your rentals.

When are the rentals delivered and when do they need to be returned?

We typically deliver 1-2 days before the event & pick-up the Monday after your event. However, if our schedule will allow, we can accommodate other needs.

What if I am late picking up or returning my rentals?

If you are not able to make your scheduled time & do not call with adequate notice, you will be charged a late fee.

What is the damage waiver and will I get that back?

The Damage waiver is something we require on all rentals & will change based on the amount you rent. This amount is also fully refundable as long as our rentals are returned & undamaged.

What if rentals are not ready for Perfect Events to pick up?

If rentals are not broken down & ready for pick-up you will be charged a breakdown fee.
