

WEDDINGS + LIFESTYLE PHOTOGRAPHY

Weddings \$4500

Pricing should be clear and simple.

- Engagement session. Yes, this is included. Its a great way for us to get to know each other too.
- All day wedding coverage, I don't have an hourly rate.
- Photo delivery, You will get an online Gallery with your full wedding in color + black and white. You'll also be able to share + order prints from the gallery.
- You'll receive a curated gallery days after the wedding with some of my favorite shots and the full gallery with in 3 months of your wedding. I don't slap another photographers filter on your photos and call it good. I take time to meticulously cull and process your gallery. This will be with you for a long time and passed down to your kids. I take great care in helping you create a legacy and remember the moments that are close to you.

After I share your gallery, You'll have the option for annual online storage and your wedding images to be backed up on multiple drives. Lets face it, life happens. We move, we grow, we sometimes misplace or never download our gallery. I don't want you to worry about that, and you shouldn't have to with annual storage.

After your have received your gallery I'll send you options for a beautiful hand made premium heirloom wedding album as well. Its pretty impressive.
