HILTON SUITES POLICIES

Additional Services Available

The hotel can provide assistance in many areas of service to enhance a group's event, including floral arrangements, welcome bags, menu cards, special event seating, specialty linens, uplighting, after-party snacks, brunches, rehearsal dinners, audio/visual requirements, decorations, etc. Appropriate charges will be determined by the catering manager.

Event Attendance

A confirmed attendance must be specified by 12 noon, 7 days prior to event date. This number will be the group minimum guarantee & not subject to reduction. Charges will then be based on the guaranteed or actual attendance, whichever is greater. Requests for increasing the guarantee within the 72 hour period are not guaranteed and may incur additional service charges.

Food & Beverage Regulations

The hotel strictly adheres to all federal, state & local laws, with regard to the hotel food & beverage purchases and consumption. The hotel reserves the right to provide and serve all food & beverages on hotel premises. Should specific food & beverage be required for your event, which is not available through our hotel, prior written approval must be received from the catering department.

Finalized "menu" selections must be received three weeks prior to the scheduled event (independent of the 72 hour attendance requirement).

In addition to banquet menus, alternate or special customized menus or beverages can be arranged to meet specific needs. The hotel will apply taxes to the prices of all products & services provided, unless stated in writing that the price quoted excludes such taxes. Prices are subject to change and can only be guaranteed within 6 months of your function date. **All food & beverage and audio/visual catered events are subject to a 22% taxable service charge and 6% tax.**
