

# Premarital and Couples Counseling Session Fees

## PREMARITAL COUNSELING

50-minute Session

\$ 165

## COUPLES COUNSELING

50-minute Session

\$ 165

It takes on average 8 sessions to work through the SYMBIS assessment results. I welcome the opportunity to continue to work with couples (beyond the wedding!) to address any specific relationship challenges they are experiencing and be a safe space for continued growth and connection.

After completing 8 premarital counseling sessions, you will receive a *Twogether in Texas Certificate of Attendance*, good for up to \$60 off your marriage license.

Due to the preventative nature of our work, we are unable to bill insurance.

80-minute sessions are available upon request.
