

Petaled Pail Weddings

Petaled Pail & Company is a complete full service design house, equipped to plan, style, design, coordinate and execute an unforgettable event from start to finish.

Our full service clients combine all of our services to work with us from the very beginning of the planning process through your grand wedding day exit to exercise the full advantage of having a full style & design team behind them to help tell their love story and to create their wedding day visions through detail focused event design and planning.

Planning & Coordination

Includes Coordination of all vendors, supplies, labor and rentals to execute an unforgettable event.

Style & Design

Includes design and all coordinating elements that make the event beautiful and achieves a vision.

Floral Design

Floral and decor design throughout the event, or series of related events, from personals through focal installations. We work alongside our Style & Design team to bring the vision to life.

Petaled Pail Paperie - Wedding Day Signage & Stationery

Detailed custom and personalized wedding day stationery and signage that coordinate and enhance all of those details that we want to know and convey to your guests through style and design.

Rentals

Our clients have access to our full collection of wedding day rentals to accent their wedding day.
