D'Andrea

BALLOON STYLIST

Welcome

I am honored that you are interested in working with me! As a former educator of 9 years, I began styling balloons for school events and quickly fell in love with the craft. Soon after, Nine Designs was born!

Nine Designs is more than a balloon company, it is a legacy. As a New Orleans native, I grew up in the Lower 9th Ward in a family full of creatives. I built this company to honor my past and create a beautiful future.

I am committed to providing excellent customer service and high-quality products to ensure your event is magnificent.
