Please Note: An initial meet and greet will be set up to determine what the photography needs of the happy couple will be. Example: What you and do not want a picture of. The type of editing style you like.

If any guest may have issues with flash photography, additional accommodations for lighting are provided.

After the ceremony: We will meet again to look over the photos to determine which ones you like, and want to be edited. A flash drive, and digital photos sent via email are provided in each package. Please note, more photos than each package might have be taken during your event, though only the specific number listed in each will be edited.

Cash, Check, Venmo, Zelle, PayPal, and Cash App are all accepted forms of payment. Please Note: All payments have to be paid in full 3 days prior to wedding. Payment plans can be set up, or payment in full at once are acceptable.

In order to retain my services, you will be subject to sign a contract outlining my terms upon booking of services to protect both parties.

I'm looking forward to being your photographer! Additionally, if you book with Shuntez Jackson Photography, you will receive a 20% discount that can be used for your next photo shoot (a la: One Year Anniversary).

If you have any questions, and/or concerns, please feel free to contact to me.

Respectfully,

Shuntez Jackson
