

BRYTE

— moments —

“lovers. soulmates. best-friends. partners-in-crime. ride or die. peas in a pod — Whatever your cute saying.. that’s US.”

Hey, there! We are Bryan and Greta and we are wedding photographers duo based in Lake Forest, California. Whenever people ask us about our story, we tried to make it as simple as possible. We are Junior-high school sweethearts turned best-friends turned lovers. We both obsessed with dogs (or any furry animals lol), love travelling and exploring new places, and collecting memories through photographs.

Photography has always been our passion. We started BRYTE Moments in early 2019. Our goal is to photograph from the lifechanging to life’s most candid moments that you can look back on 20 years later and still put a smile (or tears) on your face. We absolutely love what we do and we would be truly honored to be a part of the first chapter of your lives together.

LET'S TALK ABOUT HOW THIS WORKS

Planning a wedding can be hard work and we want to make this part as easy and fun as possible.

Here is our process and how it all goes down.

1. CREATE YOUR PACKAGE

Start by choosing your wedding day coverage, and then add on any extras you are interested in, like extra hour coverage, couple session, etc.

2. LET'S TALK

Not sure how many hours to book?
Need help with your wedding day timeline?
Have questions about pictures on your wedding day and the process?

Ask. Us. Everything. We are here for you. We can set up a phone call to go over anything you need. Just let us know your availability and we can get it scheduled.

3. PAY DEPOSIT + SIGN CONTRACTS

Once you are ready to book, we will send over the contract along with payment info. To reserve your date we require a 50% non-refundable deposit and signed contract. Once we receive both of these we will mark your date on our calendar.

4. FINALIZE DETAILS

Before your wedding date, we will send over a questionnaire that goes over specific details for your event. Then we can schedule a final meeting over Zoom, 2-3 weeks before your wedding day for a final walkthrough.

We also send a questionnaire prior to the couple session. Our biggest hope that you will thoughtfully fill it out together so that we can get a sense of who you are. Then we can start planning the details of your shoot

5. TURNAROUND TIME

For both weddings and couple session, within 2-3 days after the event, you will receive a sneak peek from us.

2 weeks after the event, you will receive all your proof photos and you can start selecting the photos you want us to edit. Once you're done with your list, we will start the editing process and you will receive the completed Gallery within 2 weeks.

// FAQ

FREQUENTLY ASKED QUESTIONS

What should I wear for the couple session?

We are here to help. Once you filled out the questionnaire, we'll send a pinterest board for inspo and we'll help the whole way through by putting together in a visual board. If you still unsure, before our session, we can look at everything you brought together and pick the outfits. It is literally the most fun thing and we promise we'll make you both look so good.

What's the best time of the day to take the photos?

Sunrise and Sunset! Sunrise is perfect to avoid the crowds especially at the beach, while sunset offers that yummy golden light that everybody loves!

// FAQ

FREQUENTLY ASKED QUESTIONS

How do we receive our photos?

When the gallery is finished, we'll upload it to an online gallery and send it to you via email. You can share the link with friends and family so they can see these photos. You can also download the whole gallery to your computer.

We never done anything like this before! We are not photogenic!

Don't worry! We gotchu! All of our couples had zero experience being in front of the camera before but usually they'd end up nailing it! It's our job to help you relax and feel your best, and guide you through the experience. Just be yourself and we're gonna have a grand time!

Do you have payment plans?

50% deposit upon signing and the final 50% a week before your wedding. That doesn't work for you? Talk to us, let's find what works best for you

READY TO BOOK?

We truly would be delighted to capture your day of love. It's an honor to be a part of a once-in-a-lifetime event. Regardless of whether we come along for the ride or not, we are glad that our work has spoken to you enough to get us here.

So, again thank you..
