## Norvell Premium Sunless Solution Medium

\$40

Norvell's Award Winning Premium Solutions utilize micro nutrient technology to deliver a potent blend of vitamins and antioxidants to boost the skin's Just off the Beach glow. The formula works with all skin types regardless of color or tone, creating a customized shade of

bronze for each individual client. Scented formulas are fragranced with allergen-free essence of raspberry and almond extracts.

## Norvell Premium Sunless Solution Dark

**\$45**

Norvell's Award Winning Premium Dark Solution allows you to look like you've spent the week at the beach in only a few minutes. While darker than the medium solutions, it's still very natural with most skin tones.

## Norvell Premium Sunless Solution Double Dark

**\$55**

This solution is great for darker complexions.

## Norvell Venetian Sunless Solution

**\$50**

Venetian is an exotic sunless formula with a unique combination of violet and brown tone bronzers, designed to mimic the sought-after skin tones found on the beautiful beaches of the European Riviera. The unique combination of violet bronzers blends with all skin tones to produce a dark, long-lasting tan.

## Norvell Competition Black Out Sunless Solution

**\$60**

Black out is for clients that have trained endless hours, carefully fueled their bodies from the inside and now it's time for their outer color to SHINE! The Norvell award winning sunless product range allows clients to step to the stage with confidence. Forget for a first place finish, Black Out combines the latest in sunless technology with high science for total golden success.
