Regular, Decaf, Tea, Creamers, Assorted Sweeteners, Sambuca, Kahlua, Irish Cream \$7.00/guest

Frequently Asked Questions:

At Hayloft on the Arch we strive to provide you with ample information while researching venues, below you will find a list of questions that are often asked before securing a date, during site visits or throughout the planning process.

What is a Certificate of Insurance?

A Certificate of Insurance for \$1 million liability with Hayloft on the Arch listed as additionally insured is required for the day of the event. This is additional liability coverage for the property to cover your guests or any damage done to the property.

How do I obtain a Certificate of Insurance?

Some of my clients will go through their (or their parents) homeowners insurance to add the COI to their policy, or they will go through an online insurance company such as Market Insurance. See the preferred vendor list for their contact information.

Where are nearby hotels & lodging?

Our Preferred Vendors List has quite a few hotels & other options to choose from. If you prefer AirBnBs or VRBO's you will find that there are some local options as well.

Does Hayloft have a relationship with any local hotels for a discounted rate?

Unfortunately because our event season (May-October) aligns with local hotels busy season, they are able to fill their rooms regardless, it is important to set up a room block as soon as possible.

Are there local shuttle services?

We do have a number of local shuttles services listed on our Preferred Vendors List. Uber & Lyft are also available in the area as well, but not always a reliable option.

What is your cancellation policy?

We take our cancellation policy seriously, once a date is secured with a deposit and contract, that deposit is non refundable. If the event is canceled within six months of the event date the remaining balance is due.

Are sparklers allowed?

Sparklers are allowed, we limit 40 sparklers and will coordinate with the DJ/Entertainment to facilitate the send off.

Are Chinese Lanterns allowed?

Due to town ordinances & fire hazards, Chinese lanterns are not allowed onsite.

Is an event planner needed?

Most of our clients find that an event planner is not needed, due to day of event coordination being included in the property rental. If you choose to hire a planner, we will take the back seat the day of, as to not step on toes, and assist where needed.

Can the 10:00p end time be extended?

Unfortunately, due to town noise ordinances we stick to our 10:00p end time for events. Luckily we have Vernon Downs two miles from the venue & Turning Stone Resort & Casino eight miles from the venue that always has weekend night life!

Are you a temperature controlled venue?

We do not have air conditioning, but because of the doors & windows throughout the building there is a consistent cross breeze to keep the facility comfortable. There are ceiling fans & exhaust fans to assist with warmer days as well. During the cooler months we do have heaters available to rent. The downstairs level of the barn is heated and air conditioned.

When do rehearsals take place?

Because of Friday, Saturday & Sunday events, rehearsals are scheduled for the Thursday before your event, unless there is an event taking place that day. Time slots for rehearsals are 1:00p, 2:30p and 4:00p. If your bridal party cannot attend, that is okay - we will talk through the ceremony details including: who is walking to what songs and where they are walking from, etc. As long as Alisha is aware of the details she can go over anything with the bridal party the day of if necessary and coordinate the ceremony regardless of a full rehearsal or talk through. Also taking place during your rehearsal time slot if your final walk through & decor drop off.

Can cars stay in the parking lot overnight?

We prefer cars stay overnight if needed so guests can arrive to their destination safely.

Can I bring my dog to the event?

We understand that your fur baby's are part of the family as well. That is why we welcome them onsite before, during and after the ceremony for photos. We do ask that once cocktail hour is completed that pets are taken offsite due to the noise and environment that comes with the reception. We do ask that they are cleaned up after and any droppings are disposed of properly so future events can enjoy a clean property.

Is Hayloft up to codes & regulations?

Hayloft on the Arch works closely with town officials to be sure that the property and it's building is up to codes and all regulations & that all licenses for the bar are in place. The property is inspected yearly as to obtain a Certificate of Occupancy.

Should we purchase an aisle runner for the ceremony?

We find that when an aisle runner is used it can turn into a tripping hazard and somewhat of a cluster to lay it out before the brides entrance.

What is the deposit? And when is final payment due?

1/2 of the building rental is due to secure the date, along with a \$500 deposit to secure the bar service. Final payment is due at your month out meeting including the ceremony fee if you plan to have it onsite.

Are there local restaurants to host the rehearsal dinner?

Check out the Preferred Vendor List for my top local picks for intimate event venues or restaurants for your rehearsal dinner or farewell brunch.

Are we able to bring in our own alcohol?

Alcohol must be supplied by Michaels Fine Food & Spirits - our onsite bar service, due to their liquor license.

How many weddings are hosted in a day? Weekend?

Only one event takes place each day, but up to three a weekend. Site visits or monthly meetings are scheduled on event days depending on the intensity of the event.

Is there an echo in the room when music is played?

Music, announcements, speeches, etc can be heard throughout the building without an echo.

Is there enough power for the band or DJ?

We have three separate breakers set aside for the entertainment - power is no issue.

Is there power throughout the room for uplighting?

Outlets can be found throughout the entire barn for additional lighting or other props.

How many guests can fit at a round table and what is its dimension/table cloth size?
Up to 10 guests can fit at the round tables, they are 60" rounds, requiring a 120" linen.

How many guests can fit at a long table and what is its dimension/table cloth size?
8 guests can fit at the long tables, they are 8' long & 30" wide, requiring a 90"x156" linen.

How many guests can the venue accommodate?

Hayloft on the Arch can accommodate 300 guests seated. The largest event we have done to date was 280 guests seated in the loft with all long tables.

What if there is inclement weather?

Central New York weather can be unpredictable, no matter the season. The Thursday before your event at the final meeting we will discuss the inclement weather plans if the forecast is unfavorable. If the ceremony is moved inside - guests typically sit at their reception tables, the tables are moved so a clear aisle is created and the Bride & Groom will get married at the far end of the loft. An outside option is still set and in place & chairs are wiped down if necessary to have an outdoor ceremony. The "final call" can be made as close to 10 minutes prior to the ceremony or however long vendors need to position themselves accordingly - this usually relies heavily on the DJ or musician.

Is there power for the ceremony musician if the ceremony is held away from the barn?

We have a small portable generator, so power is readily available wherever needed.

Is there a fee to use vendors that are not on the preferred list?

If you choose to use a caterer that is not on our Preferred Vendors List there is a \$300 fee. However, this does not apply to all the vendors, only the caterer.

How many cars does the parking lot accommodate?

Our gravel, well lit parking lot can accommodate over 110 cars with overflow parking available as well.

Are insects ever a concern?

We consider ourselves lucky that, although we have the country atmosphere, we do not have all of the country vibes. :knock on wood: We have never had a mosquito or insect problem.

Where would I get additional ceremony chairs?

100 chairs are included with your ceremony package, if you prefer to rent more you can. Adam, with Tent All Rent All has chairs that match ours. Check out the Preferred Vendors List for his contact information.

Are the bistro lights included in the property rental?

The bistro lighting, fan lights, bar lighting, industrial chandeliers in the bar area & the Edison bulb globe lights are all included.

Can a tent be used as a back up plan for a ceremony or cocktail hour?

A tent can certainly be rented through an outside rental company for inclement weather or shade from the sun. We always highly recommend Adam with Tent All Rent All - Check out the Preferred Vendors List for contact information.

What does the average wedding cost at Hayloft on the Arch?

There are so many variables with the bar & food it is hard to gauge an average cost. We may see a \$10,000 wedding on a Friday & a \$60,000 wedding on a Saturday - Hayloft is a great option if you want to be thrifty or if you want to splurge.

Who supplies the linens, china & flatware?

Typically the caterer will supply these items. It is great to go through a full service caterer for this reason.

Can we bring our own props?

Feel free to bring any props you choose — keep in mind that if it is something that is heavy or that may require more than one person to move, plan accordingly as Hayloft on the Arch staff will not move heavy items.

Can we bring our own ceremony arch?

You can bring your own arch as long as Hayloft on the Arch staff is not responsible for setting it up, moving it, or placing it in the preferred location.

There is a bridal suite, but is there a place for the groom & groomsmen to get ready?

Most of the time we see the gentlemen utilizing a nearby hotel or lodging to get ready & come onsite when they are needed by the photographer.

Can we bring in breakfast while we get ready in the bridal suite?

The catering room is across the hall from the bridal suite and a great place to stage a breakfast buffet while the Bride & her maids get ready.

Are children allowed onsite?

Of course! However, we do ask that they are accompanied by an adult at all times. There are plenty of opportunities (the stream, silo, fire pit) that if left unattended children could be hurt.

If you find you have a question that was not answered, please

call or text: 315.761.7695
