

Garden Lily Package

The Garden at Cowboy Campout

We are pleased to present this proposal for your upcoming wedding in The Garden at Cowboy Campout—an intimate, working horse ranch north of Houston in the Sam Houston Forest.

Wedding details:

The wedding will be held at a date to be determined, followed by a reception. The wedding party will have access to the 15 acres from 9 a.m. until 12 p.m. with an option to rent the entire barn for overnight accommodations.

Guests will be seated in white wooden chairs in the lawn chapel for the ceremony. The official will be provided by the family. We will set-up the lawn chapel complete with chairs; chapel façade with ivory voile drapery; shepherd's hooks at each aisle; 2 chandeliers hanging in the chapel; and French doors at the altar.

The reception can be held under a lit covered pavilion or on the lawn adjacent the covered porch. We will provide round tables with white wooden chairs. Buffet and cake tables are also available if needed, depending on the caterer's needs. We can also arrange for a dance floor.

We can provide an assortment of mason jars with candles or votive candles for each table. Flower arrangements can also be provided for an additional charge.

The Barn and Breakfast is available as a bridal suite for the bridal party prior to the wedding at no additional charge.
