Upgrades

Private Waterfall Upgrade \$200: Our waterfall weddings are typically held on public land in the National Forest. These sites require a short hike over uneven terrain. For an additional \$200 you can upgrade to a private waterfall location where you and your guests can drive right to the ceremony site. Ask for details!

Unity Sand Ceremony \$50: A contemporary version of the traditional Unity Candle Ceremony. Using colored sand instead of candles, this is also a great way to involve young children in the ceremony. And, it is a wonderful keepsake of your wedding day.

Additional Photos Upgrade: \$100 Are photos important to you? Ask how we can upgrade our wedding package to include 100 additional images for a flat fee of \$100. All our photo packages provide you with a copyright release (meaning you own the images) allowing you to make as many prints as you desire!

Video Slideshow: \$250

We will take your best images and put them to music in a video slideshow that will capture your wedding day. This is a great keepsake and a great way for you to share your wedding on YouTube, Facebook and other social media sites!

Lodging: We have partnered with several lodging partners to provide luxury accommodations for our wedding couples and their guests. See a special Lodging page under our "Resources" tab on our website for details.

Flowers: Need a bouquet or other flowers for your ceremony? We have two local florists we can recommend. Ask for details.

Hair & Make-Up: Need to have your hair and make-up done before the wedding? We have two local salons we can recommend. Ask for details.

Restaurants: Going out to eat after the ceremony? We can recommend several options in Dahlonega depending upon your tastes and budget. See a special "Restaurants" page under our "Resources" tab on our website for details.
