8060 Chalet LN NW, Seabeck WA

Nestled in the quiet forests along Hood Canal, Seabeck Stables is just a short drive from Bremerton and Sea-Tac Airport, or a scenic ferry ride from Downtown Seattle. Our 10-acres of sprawling green pastures, towering cedars and versatile event spaces make us an ideal destination for your wedding celebration during any season.

**Ceremony & Reception:** *The Riding Arena* is the perfect location to exchange vows and host lavish reception dinners. This space is an impressive 6000+ square foot structure made with an open air solid wood frame featuring exposed beams, grand chandeliers, soft string lights and lush greenery. Tables, chairs, dance floor and outdoor heaters are provided to host more than 150 guests in this covered and partially enclosed space.

**Cocktail Hour/Elopements:** *The Hay Loft & Stables* features comfortable lounge seating, low lit chandeliers and warm twinkling lights with a wooden staircase up to our quaint hayloft. Gather in this building for small affairs such as rehearsal dinners, private ceremonies, cocktail hours, wine tastings, bridal showers, and more..

**Getting Ready:** *The Avant House* holds two separate suites for the bride and grooms' parties to get ready. Each suite has a kitchen, bar, private bathrooms, individual vanities, living room and private dressing room. Plus, your choice of complementary mimosas or beer to enjoy before the wedding.

**Outdoor Ceremony/Photos:** *Our 10-acres* of picturesque cedar forests and meadows are available for all of your wedding photos and outdoor ceremony needs. Plus, it's just a 5 minute drive to the scenic backdrop of the Hood Canal waterfront for even more photo opportunities.

**Parking/Transportation:** *Event Parking* is on-site, located conveniently for your guests to be able to carpool from home or hotel. Silverdale and Bremerton hotels may provide a complimentary shuttle for easy transportation.

**Wedding Coordination:** We schedule four check-point calls prior to the wedding to review details of the event and ensure everything is on track for the big day. We work with couples in advance to design a wedding that collectively reflects their personal style and provide day-of coordination with vendors and guests. We provide general setup and cleanup so that our couples can focus on enjoying their special day.

**Rental Period:** We offer a 12-hour rental period (10am-10pm) of the entire venue. You'll also receive a one hour rehearsal prior to the wedding.
