# LOVE NOTES FROM OUR CLIENTS...

“This venue is PERFECT! My now husband and I stumbled upon this beauty while searching venues in Indianapolis and were truly blown away. The entire space is customizable, making every event unique. The gals that worked there (Amanda and Holly) are phenomenal. They were so responsive and willing to help when I was at a standstill in our planning. The whole day went off without a hitch. Our guests haven't stopped raving about how awesome it was. Even the FOOD is great which made our guests very happy. I couldn't be more thrilled with our selection of the Crane Bay. The day was so easy and carefree - they know their stuff! “ – *Allison, Bride*

“This venue is the perfect place for a large wedding reception. It is a unique space and not just a "banquet hall." The options for setup are endless. It can be divided up into cocktail space and reception space. There is plenty of room to hang out during the reception if you are not on the dance floor. There is even outdoor space, including a fireplace, to enjoy the outdoors. The staff is some of the best around. They will work with you to get everything exactly the way you want it. They use their experience to offer ideas and recommendations to make the day run smoothly. They are professional but at the same time friendly and fun to work with.” – *Barbara, Mother of Bride*

I could not have imagined a more perfect venue for our wedding reception. From the first day we walked in, our experience with the staff was amazing. They worked hard to fit everything into our budget, and to help us make realistic decisions to make the day of go off without a hitch. All the food was delicious. I loved having a great space for dinner, dancing, as well as the outside patio. I loved absolutely everything about it! – *Amy, Bride*

**“If I could rate them *MORE* than a 5, I would!! My husband and I have to admit that we expected at least SOMETHING to go haywire at some point (as really you should with any event this big and detailed), but at 11:30pm we looked at each other and said it was PERFECT! This is because of Crane Bay's staff! Their team is the definition of service and care. We were blown away by all the little things and considerations everyone made. The care they put into their work has left a memory with us and our guests that will be cherished for a lifetime! Thanks a million for the best night ever! – Emily and Colin Vaughan, Bride and Groom**
