Hey, friend!
—I'm Katie.

Here's a little about my background in media, about me, and how much I love this job!

I've been in the business for three years now! I've fallen in love with creativity and personal connections as I've grown. I'm currently studying digital media at the university of Idaho where I get to learn and collaborate with fellow creatives.

My dream after college is to be able to take this gig full time! I am grateful for people like you who help me reach this goal of mine!

"This girl is so naturally talented and can capture heartfelt moments that perfectly show those moments in life you want to remember forever. I recommend Katie for any occasion!"

Kylee Meyer

My Approach

Here is a bit about the approach that I take, and the experience you're about to have with me...

I believe a wedding vendor should actively take stress away from your day instead of adding more. I work to create an ideal experience for *you*. I think taking photos and videos should be fun and lighthearted with lots of guidance. Overall, I value friendship and curating that with people who want to work with me!

How it works

If you choose to hire me for both photo and video, I will hire a second shooter to work with me throughout the day. I will focus primarily on video, while still grabbing some photos, and the second shooter will only be taking photos. The second shooter will be a photographer with their own business compensated through me.

Perks of using me for photo AND video...

- all of your photos and videos have a consistent editing style
- you finalize a single contract and communication through one vendor instead of two
- save some \$\$\$ as I give you discounts when you book both through me!

It's the most no-pressure way to get comfy in front of my camera, & we'll make magic in the process!

How it all happens...

2 – The planning process..

I'll send you a wedding planning document where you can edit the timeline, grouping for family photos, and tell me more about your day.

4 – Previews within 48 hrs!

I'll give you previews shortly after that you can share with friends and family on social media and get a glimpse into the full gallery!

1 – Secure your date!

Once we've made sure we're a good fit and after your deposit is received and sign a contract your date is secured!

3 – It's WEDDING DAY!

I arrive and support you in any way I can throughout the day while also capturing special moments and working to keep the day going smoothly.

5 – One month gallery turnaround.

I will have you full gallery done within a month of your wedding day. Often times a lot sooner since I get so excited to look through and edit :)

It's that easy. And I'll be there for ya every step of the way!

Payment Plan
