Engagement Photography Session and digital retouched images – 650.00

These sessions are already included in some packages or can be purchased separately right here. You have never looked better than you do right now...glowing in love. Shouldn't this be captured? This is anything but a standard posed, hand on chin sort of session. This is a very special afternoon dedicated to creating some very unique, theme-oriented romantic images of you two without the time restraints of your wedding day. These do not have to be images of you dressed in formal wear! I am loaded with ideas or you may have something in mind. I have sample images to show you. 60-150 digital files.

Rehearsal Dinner – 350.00

This service covers up to two hours of shooting. It includes: food and ambiance décor details, speeches, fun candid's, and posed group settings in a more casual setting than that of the wedding day. 50-100 digital files.

Second Photographer – 800.00

Interested in a second photographer on your wedding day? This option will include a second photographer for six hours on your wedding day.

Extra hour of photography – 250.00

Grandma is dancing on the table at midnight? Need an extra hour of shooting? No problem. We can do it. We will ask you to sign an additional expense agreement. Payment due the evening of your wedding or before delivery of final prints.

Prints or additional set of prints-

Wedding album with 200 size 4 x 6 prints – 250.00
