If you're local and not far from me, I would like to meet and spend an hour and a half with you and your fiancée. We'll just talk and shoot the breeze. I will bring my camera so that I can also take photos of the two of you. Props and ideas for poses are optional but not necessary.

- Second Photographer - \$750.00
- Crazy Booth (Open-Air style photo booth) - \$395.00
- Four (4) hours of service (indoor only). This booth is self-service but an operator will be present just in case it decides to not play nice.
- Props and white (6' H x 5' W) vinyl backdrop are provided (of course!). White because the funny poses pop out well.
- It's a selfie machine too! All you have to do is create a wedding Facebook fan page that you can share with your guests and have the photos instantly uploaded there. We will test the upload prior to your wedding day so there won't be any hiccups.

Upload Conditions:

- A. If the reception venue has a free wi fi and they allow us to use it, then this Facebook upload feature is free!
- B. If the condition in A is not met but the cellular reception (Verizon Wireless) is good then we will provide you with a hotspot for an additional \$25 (on top of the \$400.00).
- C. If the conditions in A and B are not met, then all the photos will be uploaded when we get back to our studio. This package does not contain a hard copy print option but you will get all the photos taken at the end of the day (via USB flashdrive).
